

THE BUFFALO
HISTORY MUSEUM

Daniel B. Niederlander Award

The Daniel B. Niederlander Award was established in 1975, in honor of Niederlander (1895-1964), a former History Museum president, businessman, and dedicated civic leader.

The award is presented to a local education, cultural or heritage organization for outstanding programming.

The following criteria should guide you in the nomination of organizations:

- The organization's overall program for the year must be of high caliber. The award should not be given for a particular event.
- Services should be directed at the entire population of the town, village, or other geographical area described in its charter.
- Particular value will be placed on service rendered to youth.
- Although occupation of a permanent headquarters need not be a prerequisite, the maintenance of extended hours of service at a permanent or temporary headquarters is a factor in service to the community.
- Extensive involvement of volunteers should be emphasized and given special consideration.
- Interpretive programs, research and reference services should be equally weighed.
- Participation in county, area, state and national historical activity.

Nominees are not to be told they are under consideration.

Nominations must be submitted online and are due by 11:59 p.m. on Friday, March 5, 2021. [Click here](#) to nominate.
