

ERIE COUNTY COMMISSION ON THE STATUS OF WOMEN PRESENTS:

RACIAL EQUITY, DIVERSITY EQUITY + INCLUSION

Join us for a special Women's History Month roundtable discussion with Women of Color leaders. Women of Color occupy a broad range of senior leadership roles in the public and private sectors across the United States. Hear five women in our community, as they discuss their journey to leadership while navigating structural racism and sexism. They will share some of the challenges and successes they have experienced along the way as well as offer their perspective on what real systems change looks like.
